RECENTLY, MY LONG-TERM GIRLFRIEND HAS BEEN ACTING STRANGE

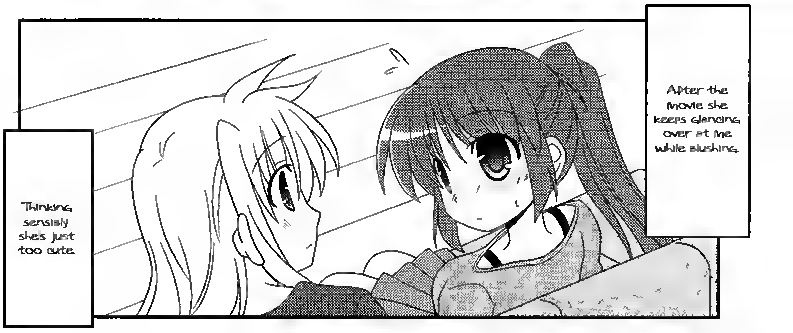
BY SAGAMI INUMARU

Recently I've been feeling from my girlfriend a kind of pressure I've never felt before.
Hello. I'm Fate T Harlowan.
I thought it was cute that she didn't ostentatiously throw them out.
Hidden away in an inconspicuous place on her bookshelf I found a Zexy magazine.

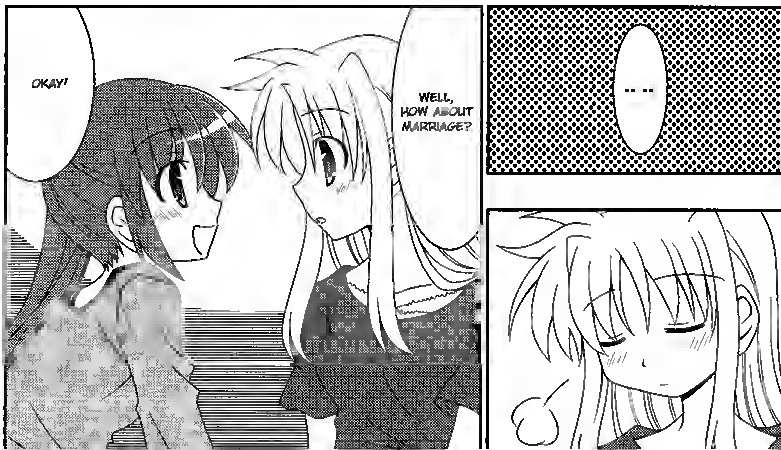
TL NOTE. ZEXY IS A JAPANESE BRIDAL AND WEDDING MAGAZINE

What is she trying to say, meet her parents? She's so cute, geez.
MY MOTHER AND FAMILY WANT TO MEET YOU AGAIN AFTER SUCH A LONG TIME!
WHEN WE GO BACK THIS TIME, LET'S STOP BY MY HOUSE.
She has been strongly suggesting that we meet her parents.

We often rent movies and watch them together
But the romance stories she chooses always end with a wedding. I think this isn't a coincidence.



After the movie she keeps glancing over at me while blushing.
Thinking sensibly she's just too cute.



WELL, HOW ABOUT MARRIAGE?
OKAY!
